3rd Meeting of the Emergency Preparedness and Response Standards Committee (EPReSC)
29 November – 1 December 2016

Agenda Item 6.2a
Update from the Working Group on how to communicate “What is safe?”

Patrick Meschenmoser
Incident and Emergency Centre
Working Group - Mission

• Drafting a Discussion Paper as a starting point for a discussion “on what needs to be done to enhance communication of what is safe”.

• “…this is living strategy, that (...) could be discussed at every meeting and that (...) can be modified when needed.”
Expected Action

• Discussion and clarification of the final purpose and use of the discussion paper

• Advice on the way forward and the process to finalize the paper
Status

• First draft developed. Presented for discussion at EPReSC-2
• Raising 17 questions for discussion
• Endorsed for further development and finalization
Status cont.

- Since EPReSC-2: Gathered further input and comments by WG members

- Questions raised regarding final purpose to specify input and finalize paper
Suggestion

• To hold a consultancy to support the finalization of the paper
• Incorporation of the paper in the revision of EPR-Public Communication
Thank you!
