24 – 27 November 2014

Agenda item RASSC R12.1
Agenda item WASSC W.9.3
Progress report DS456 since March 2013

Helen Rycraft, OSS-NSNI

Leadership and Management for Safety
Actions completed since March 2013

- **September 2013**: posted for member states review during 120 days
- **February 2014**: CS meeting held to discuss and finalize the integration of Member states comments in the draft,
  - 484 comments
  - 199 rejected
  - 270 Accepted and 15 partially Accepted
- **March 2014**: Internal NSNI review before submission to Coordination Committee 10 April 2014 is completed.
Present situation

- **April 2014**: Draft rejected by CC – Main issues:
  - responsibility for safety
  - Redundancy of some items between the chapter “responsibility” and the chapter “management for safety”
  - Addition of some lessons learnt from Fukushima after IEM 5 report on HOF (systemic approach to safety, resilience and training and information about HOF)
- **July, August, September 2014**: Internal review performed
- **Oct/Nov**: Discussions with Major Commenters
- New version to be submitted to NU/RA/WA/TRAN/SSCs and Security committees in January 2015 for comments.
- Expected publication 2016
