FaSa NPP Test Case WG

A. Bassanelli

**3rd Joint Working Group Meeting
FaSa Project, Nov./December 2010**

List of participants

Name	Affiliation	Country
Karine Ghazaryan	Armenian Nuclear Power Plant Metsamor	Armenia
Philippe Auffray	EdF - CIDEN	France
Hermann Langer	Vattenfall	Germany
Kerstin Kühn	Bundesamt für Strahlenschutz	Germany
Stefan Thierfeldt	Brenk Systemplanung GmbH	Germany
Jörg Möller	Kernkraftwerk Rheinsberg	Germany
László Juhász	National Research Inst. for Radiobiology and Radiohygiene	Hungary
Anna Maria Motoc	National Research Inst. for Radiobiology and Radiohygiene	Hungary
Yuko Onishi	JNES	Japan
Abdul Rasaq	Ministry of Science and Technology Nat. Monitor. Directorate	Iraq
Alvio Bassanelli	SOGIN SpA	Italy
Saulius Stravinskas	VATESI	Lithuania
Pjotr Rubtsow	Scientific & Engineering Centre for Nuclear / Radiation Safety	Russia
Mirsolav Drahos	Nuclear Regulatory Authority (UJD)	Slovak Republic
Hakan Lorentz	Barseback Kraft AB	Sweden
Yevgeni Lebedev	Chernobyl NPP	Ukraine

Work performed (1)

- Review of the following sections of the FaSa NPP TC WG Report :
 1. Introduction
 2. Safety Assessment Framework
 3. Description of facility and decommissioning activities
 4. Overarching Safety Assessment
 5. Safety Assessment for the direct dismantling of RPV
 6. Safety Assessment for the removal of the RPV in one piece
 7. Graded Approach

Work performed (2)

- Completed the comparison of KKR Deco Plan vs Deco Plan WG Report
- Partial comparison of KKR Reports vs Deco Conduct WG Report

Outcomes (1)

- Section 1 thru 7 are need minor adjustments
- Request by the participant to extend the investigation also to End State and phase G02 (Dismantling of primary loop)
- Deco Plan WG report need to be restructured
- Minor suggestions to improve Deco Conduct WG report

Outcomes (2)

- Deco Plan and Conduct need to be reviewed together to reduce repetition and focus each Report on the specific topic

NPP TC WG next work plan

- Development of new sections for End State and G02 KKR phases,
- Implement participants remarks into the NPP TC report,
- Provide suggestion for Deco Plan and Conduct WG reports,
- Have a completed NPP TC WG report draft by next November 2011 FaSa Joint meeting

NPP TC WG next meeting

- Next NPP TC WG meeting foreseen from 23 thru 25 May 2011 in Rome
