FaSa Planning WG activities in 2010

**3rd Joint Working Group Meeting
FaSa Project, Nov./December 2010**

Contents

- The Planning chapter describes a journey from the first thoughts to decommission to achieving the final decommissioned state.
- It looks at all aspects through conduct and termination.
- It can support all types of facility and site.

Planning WG work plan

- Analysis of the **comments raised by reviewers**;
 - Incorporation of the Co-ordinating Group comments from April 2010
 - Incorporation of the comments into the Deco Planning WG Report
 - Review at the 2010 Plenary Meeting – further comments to A Dietzold

Thanks

- Thanks to Piers Manson (UK) for his hard work so far.
- Thank you
