Introduction into the review work

R<sup>2</sup>D<sup>2</sup>Project: Review of a Decommissioning Plan

IFIN-HH, Bucharest-Magurele, Romania;

04-08 July 2011

**IAEA**

International Atomic Energy Agency

# Working Groups (WGs)

- **Formation of three WGs**
  - **WG 1: Safety and regulatory aspects**
  - **WG 2: Dismantling activities**
  - **WG 3: Materials management, including release of buildings and site clean-up**
- **One person per country per WG**
- **Romanian colleagues are welcome to join the WGs, but they should not review their own work**
- **Co-ordinate the scope of work amongst the WGs to avoid unnecessary duplications**
- **Ask for 'Briefings', as necessary**

# Tasks (1)

- **The DP was reviewed in homework**
- **Discuss your findings in the respective WG**
- **Use the comments received before the workshop as input to the WG discussions**
- **Check the DP for its contents, e.g.**
  - **Is it complete?**
  - **Is everything correct?**
  - **Did you find any contradictions?**
  - **Is the plan feasible?**
  - **Will the work be carried out safely?**
  - **Is there any room for improvements?**
- **Agree on findings and report the results**

## Tasks (2)

- A small part of the DP was not uploaded to the IAEA website (lack of space)
- These were mainly graphs, figures, pictures which were believed not to be essential for the homework
- [Support Document; Volume 1; Chapter 2 (Facility Description); Annex 1 – 16 and Support Document; Volume 2 (Characterisation Survey Report); Chapter 7 (Appendix / Annex 7.1 – 7.39)]
- All this material is available at the workshop
- Check this information, as necessary

## Tasks (3)

**Discuss / work on the following questions:**

- **Would you ask the operator for more information? → Which? → Specify!**
- **Would you give a license to the DP as it is? → Which clauses / requirements ...? → Specify!**
- **(Appendix / Annex 7.1 – 7.39]**
- **All this material is available at the workshop**
- **Check this information, as necessary**
- **Discuss how to proceed: It is suggested to focus on the contents of the DP and not on the Romanian licensing system**

# Procedures (1)

- **Brainstorm to identify the main issues of the respective WG**
- **Identify a 'WG leader' at an early stage**
- **Identify the person(s) to prepare the report**
- **Identify the person to present the report**
- **Suggest briefing meetings when necessary**
- **Ask for information when needed**
- **Assistance to WGs is given as follows:**
  - **Ernst Warnecke: WG 1 / overall co-ordination**
  - **Mitica Dragusin: WG 2**
  - **Patrick O'Sullivan: WG 3**

# Procedures (2)

- **Assistants**
  - **Observe the group work and overview results**
  - **Help to overcome difficulties / controversies**
  - **Help to harmonise assessments**
  - **Do not do the actual work!**

Have a successful and interesting  
review of the DP!  
THANK YOU
